Drafting sessions on the draft outcome document for the Follow-up International Conference on Financing for Development to Review the Implementation of the Monterrey Consensus (Doha, Qatar, 29 November – 2 December 2008)

In accordance with General Assembly Resolution 62/187 (A/RES/62/187), drafting sessions on the draft outcome document for the Doha Conference (A/CONF.212/CRP.1) will begin on Thursday, 9 October and Friday, 10 October 2008; the meetings will take place, from 3 to 6 p.m. in the Economic and Social Council Chamber. Beginning the week of 13 October, three meetings per week will be held (the complete schedule and the draft outcome document are posted on the following Financing for Development (FfD) Office Web site <www.un.org/esa/ffd>).

All accredited stakeholders to the Financing for Development process are invited to attend the drafting sessions, although only representatives of governments and of the three major institutional stakeholders will be permitted to participate in the discussion, following the practice used in the preparatory phase for the Monterrey Conference.

As announced at the informal consultations on 19 September, it is the intention of the facilitators to consider, in this first phase, the first three sections of the draft outcome document on 9 and 10 October. The next three sections would be considered during the week of 13 October, and the last three sections in the week of 20 October.

In keeping with previous practice, stakeholders are welcome to make available in writing any contributions they deem appropriate, which should be addressed to the facilitators, with a copy to the Financing for Development Office, indicating their wish to have them posted on the Financing for Development Web site.

Prepared statements

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Security Council Chamber.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Media Documents Centre (room S-394).
